The governing board shall delegate responsibility for ensuring equal access to instructional materials and information and communication technology (ICT) for all and particularly for individuals with disabilities, in a timely manner in accordance with applicable law.

As it relates to equally effective alternative access to instructional materials and ICT, timely manner means that the individual with a disability receives access to the instructional materials or ICT at the same time as an individual without a disability.

The Superintendent/President shall establish administrative procedures to comply with the requirements specified in Section 508 of the Rehabilitation Act and its implementing regulations.
